*The 2017 -2018 tuition is spread out over a 12-month period (June 19th, 2017 to June 8th, 2018). Regardless of whether you utilize the June 4th - June 8th time period, **a tuition obligation still exists.** For this reason the "two week notice" does not apply to May and June.

*Because tuition is paid monthly rather than weekly, there are 23 + days that parents are not charged. The holidays Sunflower is closed balance that difference.
